Project Title	Digital Fundraising Transformation – Impact Force Poverty Alleviation
Client	Impact Force Poverty Alleviation (NGO)
Prepared by	Cloud Ninja Team (Keerthana B — Business Analyst)
Salesforce Edition	Enterprise Edition (via Power of Us Program)
Date	February 2026 | Version 1.0

1. Salesforce Nonprofit Cloud — Enterprise Edition

Impact Force Poverty Alleviation is leveraging the Salesforce Power of Us Program which provides 10 donated Enterprise Edition licenses at no cost. The Enterprise Edition is the minimum and sufficient tier to run the full project. Below is what this edition supports:

Enterprise Edition Includes:

- Full NPC (Nonprofit Cloud) Data Model — Lead, Account, Contact, Donation, Receipt
- Experience Cloud — donor portal (guest users at no cost, authenticated users on add-on license)
- Custom Automations — Flows, Validation Rules, Approval Processes
- Profiles, Roles, Permission Sets, and Sharing Rules
- AppExchange and API Integrations (Razorpay, Slack, Agentforce)
- Reports, Dashboards, and Analytics
- Accounting Subledger for donation reconciliation
- Agentforce availability — can be activated as add-on at ₹168/conversation

Enterprise Edition Does NOT Include (Requires Upgrade):

- Full Sandbox (available in Unlimited only — use Developer Sandbox as workaround)
- 24x7 Toll-Free Premier Support (Unlimited and above)
- Data Cloud & Slack Enterprise Grid (Agentforce 1 editions only)

2. Power of Us Program — Free License Summary

IMPACT FORCE POVERTY ALLEVIATION — Salesforce Licensing Cost Breakdown

The Salesforce Power of Us Program is the nonprofit donation program that provides qualifying NGOs with 10 free Enterprise Edition licenses. Impact Force Poverty Alleviation qualifies as a registered NGO and benefits from this program.

Program Detail	Value	Notes for Impact Force
Edition Donated	**Enterprise Edition (NPC)**	NOT Unlimited or Agentforce 1
Free Licenses	**10 User Licenses**	Covers all 10 internal staff users
In-Kind Declared Value	**$15,000 / year (≈ ₹12,60,000)**	Donated value, not charged to NGO
Additional Users	80% off standard price	~₹1,008/user/month (instead of ₹5,040)
Platform License (extra staff)	~₹420/user/month (80% off $25)	For staff needing limited access only
Eligibility	Registered NGO / 501(c)(3) equivalent	Submit charity registration proof to Salesforce

Note: *Power of Us donates Enterprise Edition ONLY. Unlimited and Agentforce 1 editions require paid upgrades even for nonprofits.*

3. User License Cost Details — Internal Staff

All 10 internal users are covered under the donated Enterprise Edition licenses. No cost is incurred for any internal staff member. Below is the full license assignment:

Role	License Type	Monthly Cost/User	Total Monthly	Annual Cost	Count
NGO Admin (Head)	**SF Enterprise (Free – Power of Us)**	**₹0**	**₹0**	**₹0**	1
Finance Manager	**SF Enterprise (Free – Power of Us)**	**₹0**	**₹0**	**₹0**	1

Salesforce Admin	**SF Enterprise (Free – Power of Us)**	**₹0**	**₹0**	**₹0**	1
Scrum Master	**SF Enterprise (Free – Power of Us)**	**₹0**	**₹0**	**₹0**	1
Developer (1)	**SF Enterprise (Free – Power of Us)**	**₹0**	**₹0**	**₹0**	1
Developer (2)	**SF Enterprise (Free – Power of Us)**	**₹0**	**₹0**	**₹0**	1
QA Tester	**SF Enterprise (Free – Power of Us)**	**₹0**	**₹0**	**₹0**	1
TOTAL	**Enterprise (Donated)**	**—**	**₹0 / month**	**₹0 / year**	**10**

Note: *Receptionist and Service Coordinator roles using public-facing portal are treated as Guest Users — no license cost applies.*

4. Experience Cloud — Guest vs Authenticated Users

Since donors are treated as Guest Users (no login required), Experience Cloud costs are effectively zero for the core donation flow. The table below clarifies when costs apply:

User Type	License Required	Monthly Cost	Use Case	For Impact Force
Guest User (no login)	**None — included in Enterprise**	**₹0**	Register, donate via Razorpay, view homepage	Primary model for all new donors
Authenticated (repeat donor login)	Customer Community Login	**~₹168/login (~$2)**	View donation history, re-download receipts	Optional — for repeat donors only
Authenticated (permanent account)	Customer Community Member	**~₹420/month (~$5)**	Permanent portal account with full history	High-value / recurring donors only

Note: *Recommendation: Use Guest User for all new registrations and donations (no cost). Add Customer Community Login licenses only for repeat donors who need history access.*

5. Additional Integration Costs

5a. Razorpay — Payment Gateway

Razorpay charges no setup fee and no annual maintenance. Fees apply only on successful transactions.

Payment Method	Platform Fee	Effective (with 18% GST)	Example on ₹1,000 Donation
UPI / Debit Card / Net Banking / Wallets	2%	**~2.36%**	NGO receives ₹976.40
Credit Card (Visa / Mastercard / RuPay)	2%	**~2.36%**	NGO receives ₹976.40
Amex / EMI / Corporate Cards	3%	**~3.54%**	NGO receives ₹964.60
Setup Fee / Annual Maintenance	**₹0**	**₹0**	No hidden cost whatsoever

5b. Slack — Team Collaboration

Slack for Nonprofits program provides Impact Force with a completely free Pro plan (≤250 members). No cost applies.

Plan	Standard Price	NPO Discount	INR After Discount	Best For
Free	$0	—	**₹0**	Very small teams, basic messaging
Pro (≤250 members)	$7.25/user/month	**100% FREE**	**₹0**	**Impact Force qualifies — full Salesforce integration**
Business+ (>250 members)	$15/user/month	85% off → $2.25	~₹189/user/month	Larger NGOs needing SSO & compliance

5c. Agentforce — AI Chatbot (3 Pricing Models)

Agentforce is available as an add-on to Enterprise Edition. Three models are available — Impact Force should use the Per Conversation model for its donor-facing chatbot.

Model	USD Price	INR (Approx.)	Best For	Impact Force Recommendation

IMPACT FORCE POVERTY ALLEVIATION — Salesforce Licensing Cost Breakdown				
Per Conversation ✓RECOMMENDED	$2 / conversation	**₹168 per donor chat**	Donor-facing chatbot, low volume	First 1,000 conversations FREE via Salesforce Foundations
Flex Credits (Per Action)	$500 = 1,00,000 credits ($0.10/action)	₹42,000 for 1L credits	Internal automation workflows	Not ideal for donor chat — use for internal flows only
Per-User Add-On (Unlimited)	$125 / user / month	₹10,500 / user / month	Large internal staff teams (20+ users)	Not recommended — too expensive for a small NGO team

6. Total Cost Summary — Impact Force (Monthly Estimate)

Tool / License	Details	Monthly Cost (INR)	Status
Salesforce NPC Enterprise	10 users — Power of Us donated licenses	**₹0**	**FREE**
Experience Cloud (Guest)	All donors — no login, no license needed	**₹0**	**FREE**
Experience Cloud (Repeat)	Login-based — optional for recurring donors	**~₹168/login**	**Optional**
Sales Cloud / Dev Org	Included in Enterprise — no separate license	**₹0**	**INCLUDED**
Slack Pro	≤250 NPO users — Slack for Nonprofits program	**₹0**	**FREE**
Agentforce (Donor Chatbot)	Per conversation — first 1,000 free, then ₹168/chat	**₹0 → ₹168/conv**	**Pay-as-use**
Razorpay	2.36% per successful donation — no setup/AMC fee	**~2.36% per txn**	**Per Txn**
Monthly Base Total	*Before Agentforce conversations & Razorpay transactions*	**₹0 / month**	

7. Expected Business Impact

IMPACT FORCE POVERTY ALLEVIATION — Salesforce Licensing Cost Breakdown

The Salesforce implementation is projected to transform Impact Force's fundraising efficiency significantly within the first 6 months. Key performance improvements are shown below:

KPI	Before (As-Is)	After (To-Be)	Relative Improvement
Lead Conversion Rate	~15%	**50%+**	**↑ 200%+**
Donor Registration Completion	Low (Google Form drop-off)	**High (guided portal)**	**↑ Significant**
Receipt Generation Time	24–48 hrs (manual)	**< 1 minute (automated)**	**↑ Near Instant**
24×7 Donor Support Availability	Phone only (9–5 hrs)	**Agentforce chatbot 24×7**	**↑ Always On**
Finance Reconciliation Effort	High (manual Excel)	**Automated via NPC**	**↓ Near Zero**
Dashboard Visibility	None	**Real-time Salesforce dashboards**	**↑ Full Visibility**
Donor Data Accuracy	Low (spreadsheet errors)	**High (validation rules)**	**↑ High**

8. Cost Justification

All internal users are assigned Salesforce Enterprise Licenses through the Power of Us program, ensuring complete NPC functionality at zero cost. The uniform license model simplifies administration, security, and automation across all users.

The Enterprise Edition provides full scalability for future expansion including potential integrations with additional payment gateways, Marketing Cloud, and advanced analytics. The NGO is expected to achieve significant operational ROI within 6 months through:

- Elimination of manual receipt generation (saving 10–15 hours/week for finance staff)
- Automated donor tracking reducing lost lead follow-ups by an estimated 70%
- Agentforce chatbot reducing inbound support calls by 60%+ within 3 months
- Real-time dashboards enabling data-driven campaign decisions for fundraising team
