1. Introduction

This User Manual provides step-by-step guidance for using the Impact Force Poverty Alleviation Digital Fundraising Platform. The platform is built on Salesforce Nonprofit Cloud and Experience Cloud, enabling donors to register, donate online, and get support — while giving NGO admins full visibility and control over fundraising operations.

1.1 Who Should Read This Manual

- Donors — individuals who wish to donate to Impact Force Poverty Alleviation
- NGO Admin & Staff — team members managing donor records and campaigns
- Finance Team — staff managing receipts, payments, and reconciliation
- Support Team — staff handling donor queries

1.2 Platform Overview

Module	Description	Users
Donor Portal	Website for registration and donation	Donors
Razorpay Integration	Secure online payment gateway (INR)	Donors
Receipt Management	Automatic PDF receipt via email	Donors, Finance
Agentforce AI Chat	24/7 AI-powered query support	Donors
Slack Notifications	Real-time donation alerts	Admin, Staff
Reports & Dashboards	Donation analytics and KPIs	Admin, Manager

2. Getting Started — Donor Portal

The Donor Portal is the public-facing website where donors register and make donations. It is built on Salesforce Experience Cloud.

2.1 Accessing the Portal

1	Open your web browser (Google Chrome recommended).
2	Navigate to the NGO's official donation portal URL provided by Impact Force.
3	The Homepage will load showing the NGO's mission, vision, and poverty alleviation programs.
4	You will see a 'Register' button prominently on the homepage to get started.

Tip
The portal is accessible from all desktop browsers. Ensure you have a stable internet connection before proceeding with registration or donation.

2.2 Homepage Features

- NGO logo and branding
- Mission and vision statement of Impact Force Poverty Alleviation
- Information about ongoing poverty alleviation programs
- 'Register' button to begin donor registration
- Contact information of the NGO

3. Module 1: Donor Registration

First-time donors must register on the portal before making a donation. Registration captures your personal details and creates a record in Salesforce.

3.1 How to Register

1	Click the 'Get Involved' button on the NGO homepage.
2	The Donor Registration Form will open.
3	Fill in the following required details:
4	First Name and Last Name
5	Email Address (must be a valid format, e.g. name@email.com)

6	Phone Number (10-digit Indian mobile number)
7	Address
8	Company (optional)
9	Lead Source (how you heard about the NGO)
10	Preferred Campaign (select the cause you wish to support)
11	Communication Preferences (opt-in for emails/SMS)
12	Click 'Submit'. A confirmation message will appear on screen.

Important
The system automatically checks for duplicate registrations using your email address and phone number. If you are already registered, you will be prompted to log in instead.

3.2 What Happens After Registration

Once you register successfully:

- A Lead record is created in Salesforce for the NGO's fundraising team.
- The fundraising team may reach out to you for engagement.
- You can proceed directly to make a donation.
- When you make your first donation, your Lead is converted to a Contact and Household Account in Salesforce.

Note
If you see an error message saying 'Email already exists', it means you have already registered. Please use the login option instead.

4. Module 2: Making a Donation (Razorpay)

After registration, you can proceed to donate securely using the Razorpay payment gateway. All transactions are in Indian Rupees (INR).

4.1 Step-by-Step Donation Process

1	After registering or logging in, navigate to the Donation Page.
2	Tick the 'Donate Now' checkbox to confirm your intent to donate.
3	The system will check for any existing Contact record using your email.
4	Enter the donation amount you wish to contribute (minimum: ₹1, numeric values only).

5	Select your preferred campaign/cause from the dropdown.
6	Click 'Proceed to Pay'. You will be redirected to the Razorpay payment page.
7	The Razorpay checkout will open securely in your browser.
8	Choose your preferred payment method: UPI, Credit/Debit Card, Net Banking, or Wallet.
9	Complete the payment as guided by Razorpay.
10	On successful payment, you will be redirected back to the portal with a success message.
11	A donation receipt will be sent to your registered email address automatically.

4.2 Supported Payment Methods

Payment Method	Details
UPI	PhonePe, Google Pay, Paytm, BHIM, and all UPI apps
Credit Card	Visa, Mastercard, RuPay
Debit Card	All major Indian bank debit cards
Net Banking	All major Indian banks supported
Wallets	Paytm, Amazon Pay, and others

 Important
Always wait for the success confirmation page before closing your browser. Do not press the back button during payment.

4.3 What Happens After Payment

- Razorpay sends a payment confirmation to Salesforce automatically.
- A Gift Transaction (Opportunity) is created in Salesforce with status 'Posted'.
- A Payment record is linked to the Gift Transaction with your Razorpay Transaction ID.
- Your Contact and Household Account are created/updated in Salesforce.
- A PDF donation receipt is emailed to you instantly.
- The NGO team receives a Slack notification about your donation.

 Payment Failed?
If your payment fails, you will see a failure message on screen. No amount will be deducted. You may retry the payment.

5. Module 3: Viewing Donation History

Returning donors can log back into the portal to view their entire past donation transactions.

5.1 How to View Your Donation History

1	Click Already register and give mail ID
2	'Donation History' from the menu.
3	A list of all your previous donations will be displayed on the page.
4	Each record shows: Date of Donation, Amount, Payment Status.

5.2 Donation History Details

Field	Description
Date	The date and time the donation was made
Amount (INR)	The donation amount in Indian Rupees
Status	Posted (successful) / Pending / Failed

6. Module 4: Receipt Management

Every successful donation automatically generates a PDF receipt and sends it to the donor's registered email address.

6.1 Automatic Receipt Email

- A receipt email is sent automatically after every successful payment.
- The email is sent to the donor's registered email address.
- The receipt PDF is attached to the email.

6.2 Receipt PDF Contents

- Donor Name
- Donation Amount (INR)
- Date of Donation
- Razorpay Transaction ID
- NGO Name, Logo, and Contact Details
- Unique Receipt Number

7. Module 5: Agentforce AI Chat Support

Agentforce is an AI-powered chat assistant available 24/7 on the Donor Portal to answer your questions instantly without needing to wait for a support agent.

7.1 How to Use the AI Chat

1	Look for the chat widget/icon at the bottom-right corner of the Donor Portal.
2	Click the chat icon to open the Agentforce chat window.
3	Type your question or query in the chat input box.
4	Agentforce will respond instantly with relevant information.
5	If the AI cannot resolve your query, it will create a support request for the NGO team.

7.2 What Agentforce Can Help With

Query Type	Example Questions
Donation Process	How do I make a donation? What payment methods are accepted?
Payment Status	Was my payment successful? What is my transaction status?
Receipt Help	I did not receive my receipt. How do I download my receipt?
Campaign Info	What campaigns can I donate to? How is my donation used?
Registration Help	How do I register? I forgot my password.
Support Request	I need to speak to someone / I have a complaint.

Tip
Agentforce has access to your donation records in Salesforce. Always provide your registered email when asking about your specific donations for faster assistance.

8. Module 6: Slack Notifications (Admin/Staff)

NGO Admin and Staff receive real-time donation alerts and daily summaries through Slack. This feature is for internal team use only.

8.1 Types of Slack Notifications

Notification Type	Trigger	Channel	Recipients

New Donation Alert	Any donation is recorded in Salesforce	#donations	All Team
High-Value Donation Alert	Donation exceeds configured threshold amount	#high-value-donations	NGO Manager
Daily Summary	Automatically sent at end of each day	#daily-reports	NGO Manager
New Donor Notification	New Contact record is created in Salesforce	#new-donors	Fundraising Team
System Error Alert	Flow/Apex error occurs in Salesforce	#system-alerts	System Admin

8.2 Notification Message Format

New Donation Alert includes:

- Donor Name
- Donation Amount (INR)
- Date and Time of donation
- Payment Status (Success/Failure)
- Campaign Name

Daily Summary includes:

- Total number of donations received today
- Total amount collected today
- Count of successful vs. failed transactions
- Link to the Salesforce Dashboard

> **Admin Note**
> The high-value donation threshold can be configured by the Salesforce Admin. Contact your admin to update the threshold amount.

8.3 Setting Up Slack (Admin Only)

1. Ensure the Salesforce-Slack integration is connected by your Salesforce Admin.
2. Verify the correct Slack channels are configured in Salesforce automation flows.
3. Test the integration by creating a test donation in Salesforce sandbox.
4. Confirm notification is received in the configured Slack channel.

9. Module 7: Reports & Dashboards (Admin/Staff)

NGO Managers and Admins can access real-time reports and dashboards in Salesforce to monitor fundraising performance and make data-driven decisions.

9.1 Available Reports

Report Name	Description	Audience
Daily Donation Collection	Total donations received per day	Manager, Finance
Lead to Donor Conversion	Tracks how many leads converted to donors	Fundraising Team
Razorpay Reconciliation	Matches Salesforce records with Razorpay transactions	Finance Team
Donor-wise Summary	Individual donor contribution history and totals	Admin, Manager
Opportunity Status Report	Status of all Gift Transactions (Posted/Pending/Failed)	Finance, Admin
Campaign Performance	Donations per campaign with target vs actual amounts	Manager

9.2 How to Access Reports

1	Log in to Salesforce with your Admin or Manager credentials.
2	Click on the 'Reports' tab from the main navigation menu.
3	Search for the report name or browse the 'Fundraising Reports' folder.
4	Click on the report name to open it.
5	Use filters (date range, campaign, donor) to refine the report.
6	Click 'Run Report' to generate results.
7	Export to Excel or PDF if needed using the Export button.

9.3 How to Access Dashboards

1	Click on the 'Dashboards' tab from the main navigation menu.
2	Select 'Donation Performance Dashboard' or 'Donor Summary Dashboard'.
3	The dashboard will display real-time charts and KPI metrics.
4	Hover over any chart for detailed tooltips.
5	Use the 'Refresh' button to load the latest data.

Tip
Dashboards are updated in real time whenever a new donation is recorded. For scheduled reports, set up report subscriptions to receive email summaries automatically.

11. Roles & Permissions

Role	Access Level	Key Capabilities
Donor	Experience Portal	Register, Donate, View History, Download Receipt, Use AI Chat
NGO Admin	Salesforce Full	Manage donors, re-send receipts, configure automation, view all reports
Finance Team	Salesforce	View/manage Gift Transactions, Payments, Razorpay reconciliation, receipts
Fundraising Team	Salesforce Platform	Manage Leads, view campaigns, donor engagement tracking
Support Team	Service Cloud	Handle donor queries, manage Agentforce escalations
NGO Manager	Salesforce	View all dashboards, approve high-value alerts, receive daily summaries
System Admin	Full Admin	Salesforce configuration, integrations, Slack setup, error management

12. Support & Contact

If you experience any issues not covered in this manual, please reach out using the following options:

Agentforce AI Chat

Available 24/7 on the Donor Portal — click the chat icon at the bottom right of the website.

Email Support

Contact the NGO support team via the email address listed on the NGO homepage.

NGO Contact

Visit the 'Contact Us' section on the NGO portal for phone and address details.

Salesforce Admin (Internal Staff Only)

Internal team members can raise issues directly with the Salesforce Admin or project team (Cloud Ninja Team).
